

# Week 3 Further Tasks

Create a quarto document which provides information about your favourite animal<sup>1</sup>. Your report should contain as a minimum:

- Three sections (e.g. Introduction, Habits and lifestyle, Different species). These sections should be labelled appropriately.
- One image (taken from a stock photo webpage such as <https://www.pexels.com/>).
- One table comparing information from at least 2 or 3 different species of this animal (for example: life span, weight, length).
  - Bonus task: create a dataset with the information in your table in R and use this to create a table using an R code chunk.
